ROBERT E. ARASMITH
EDITOR-IN-CHIEF

FORWARD

The ROLLAMO is the official yearbook of the University of Mo. - Rolla. It is published for the students, by the students, of the Rolla campus. The purpose of the ROLLAMO is to produce a photographic essay of the people and events from freshman orientation through graduation relating to 1979 at UMR. It is hoped that everyone will find a portion of themselves within these 368 pages of the '79 ROLLAMO.

WHERE ELSE BUT UMR . . .

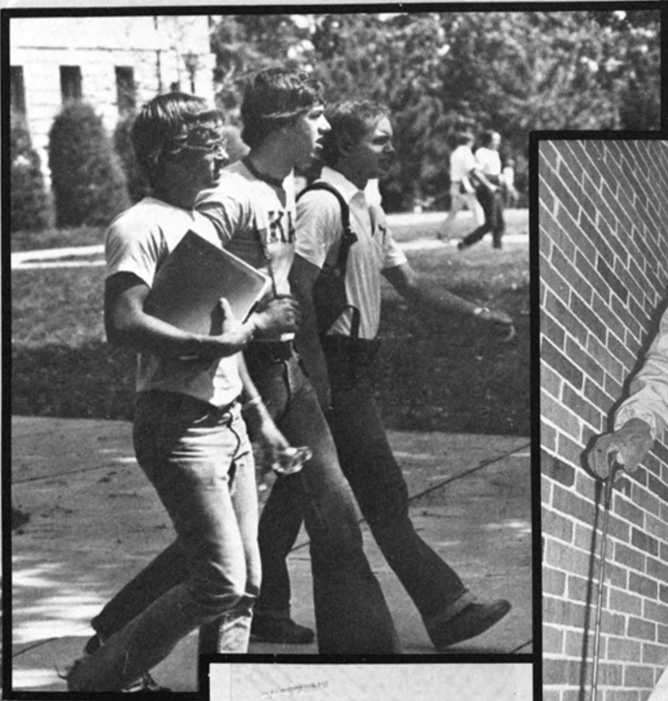

... COULD YOU GO ON FLOAT TRIPS, CAMPING, SPELUNKING, REPELLING, HUNTING, FISHING, SKIING, SWIMMING, AND HIKING.

DO ALL THE THINGS YOU WILL BE PAYING TO DO AFTER GRADUATION FOR FREE AS A BY-PRODUCT OF BEING A PART OF UMR.

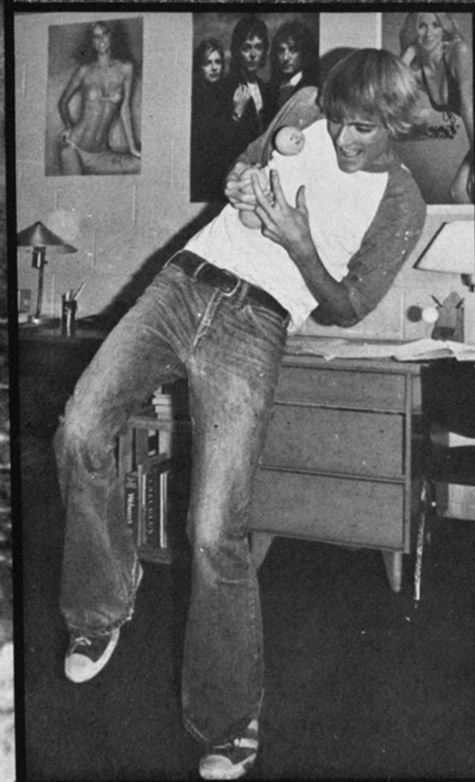

... COULD YOU LIVE IN A QUIET, EASY GOING
TOWN, AWAY FROM THE HASSELS AND
SCANDALS OF THE "BIG CITY".
WHERE THE BIGGEST LAW ENFORCEMENT
PROBLEM IS THE TRAFFIC JAM AFTER A
CONCERT.

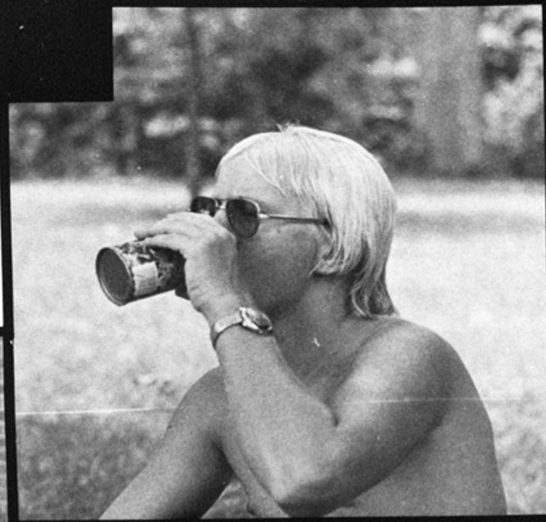

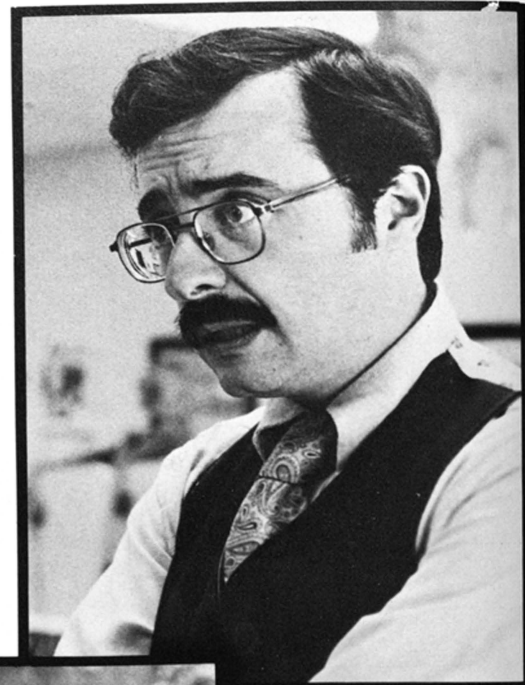

.... COULD YOU ESCAPE THE ORGANIZED CONFUSION
OF UMR, GET BACK TO UNDISTURBED NATURE, BE
ALONE, ALOFT IN YOUR OWN THOUGHTS.
ALL OF THIS BY WALKING JUST 3 MILES IN ANY
DIRECTION.

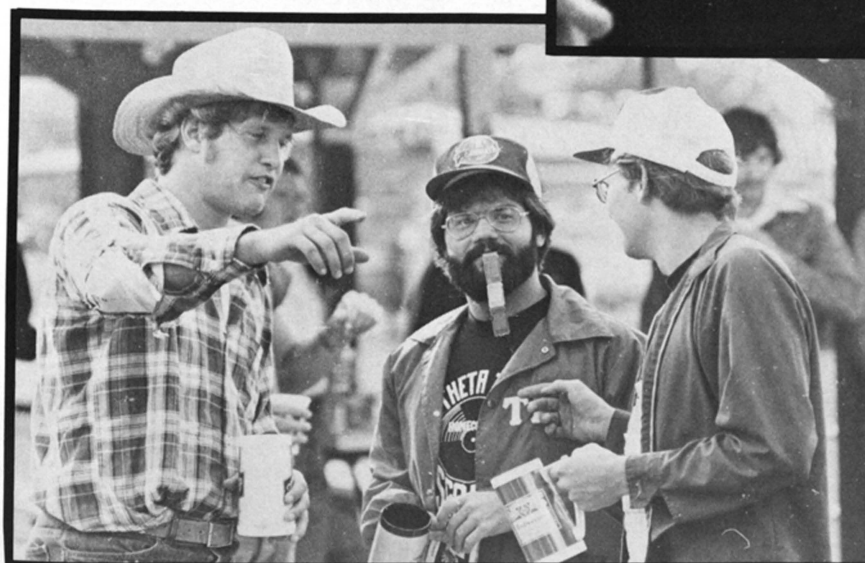

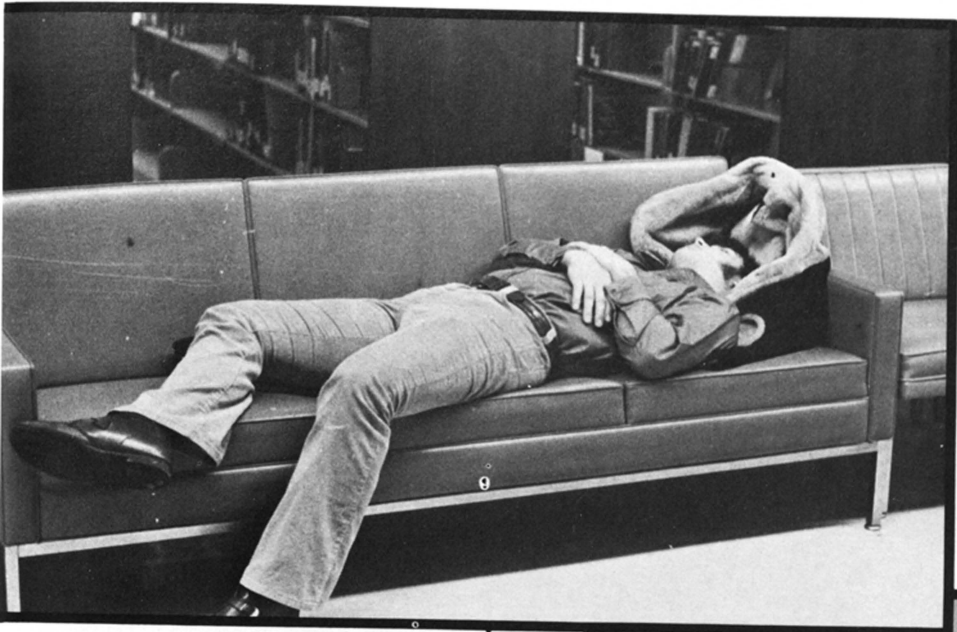

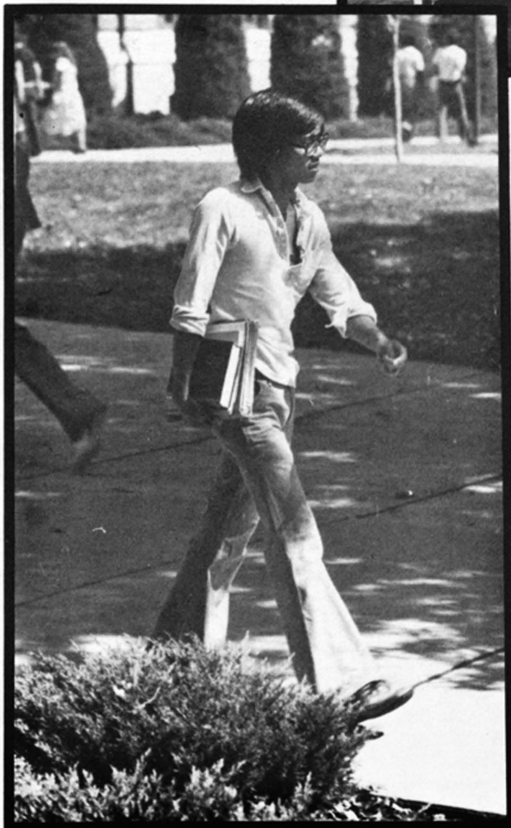

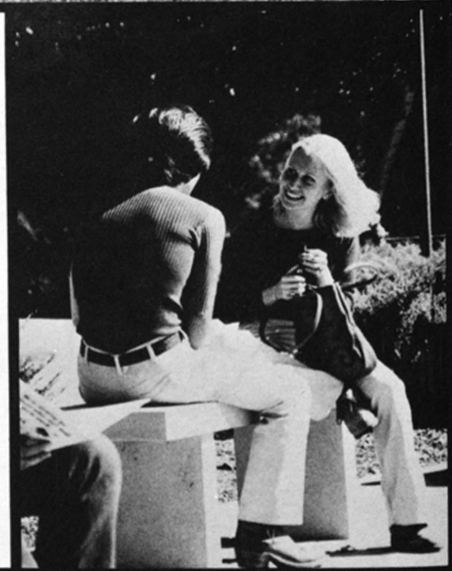

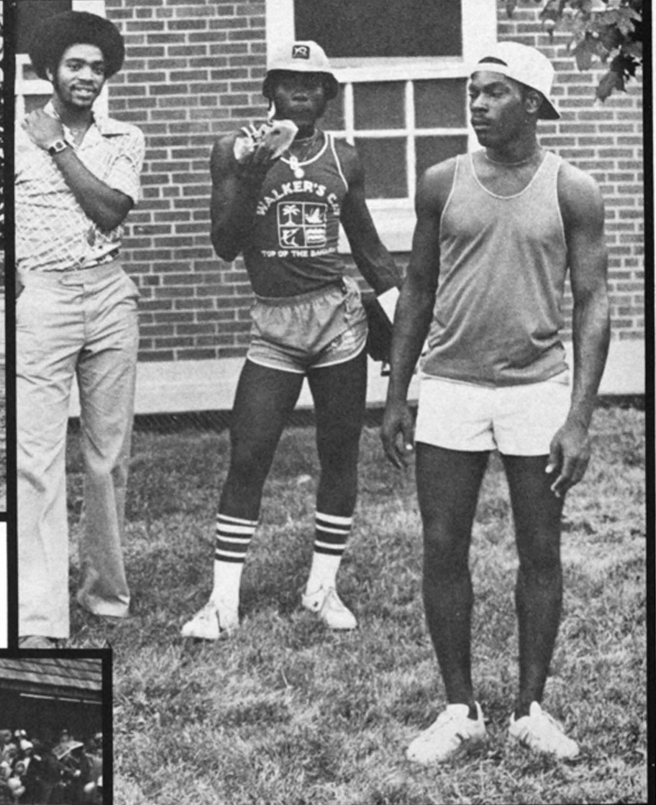

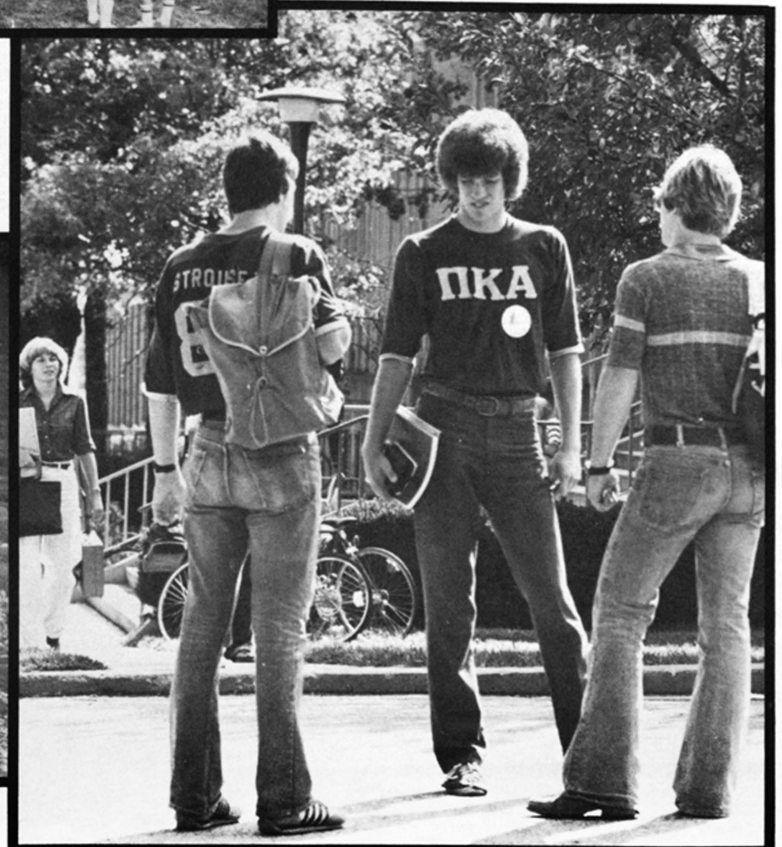

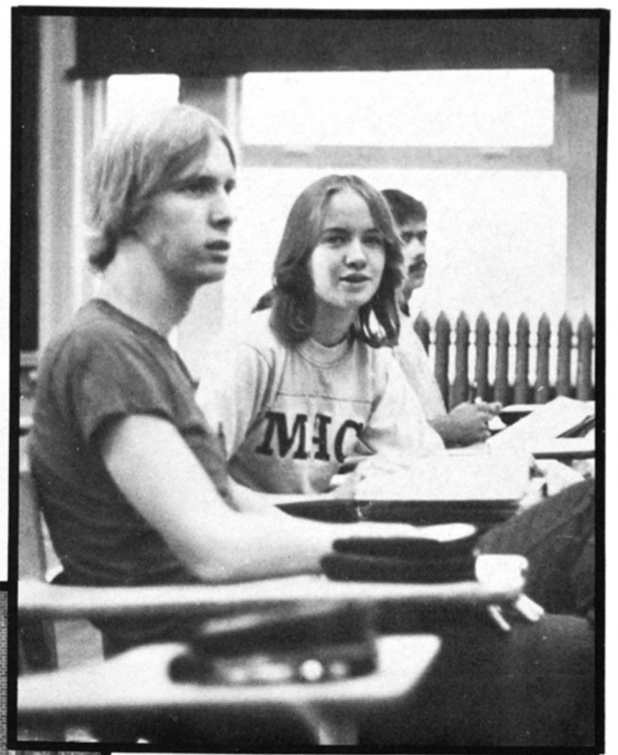

*TO SOME UMR IS JUST A SCHOOL, A MERE PAUSE IN
THEIR BUSY LIVES. TO OTHERS UMR HAS BECOME A
PART OF THEM, SOMETHING THEY WILL NEVER FORGET
AND ALWAYS TRY TO RELIVE.*

DURING THE YEAR THE PHOTOGRAPHERS WORK IS OFTEN TAKEN FOR GRANTED. THEIR FINEST PHOTOGRAPHY IS AT TIMES, UNFORTUNATELY, OVERLOOKED. THAT IS WHY THIS SECTION HAS BECOME A REOCCURRING ADDITION TO THE YEARBOOK. THE PHOTOGRAPHERS HAVE CHOSEN A FEW PICTURES THEY FEEL REPRESENT THEIR BEST; THEY ARE FOUND ON THE NEXT NINE PAGES.

EDITORIAL NOTE

As I sit down to write this final note, I can't help but pause and think back, not just of the past year but over the five since I arrived in Rolla as a proud high school grad but a rather intimidated freshman. Since that day I've had many good times and a few sad times. Later in life I'll again think back, but the memories will fade and I'll pick up my ROLLAMOs to enable me to relive "college life."

I hope later in life we will all find somewhere in these 368 pages a thought that will trigger a rush of adrenaline. If this happens to just a few I will feel as though the staff of the '79 ROLLAMO has accomplished their goal.

Even as I draw the '79 ROLLAMO to a close, the '80 ROLLAMO, under the editorship of Kathy Lesser, is already on the drawing board. I would like to thank Kathy for her help this year and wish her all the luck in the coming year, both with the yearbook and newly married life.

A special thanks must also go to Lance Williams. He has been the advisor for the ROLLAMO since the 1971 edition. Along with being active on the city council, with the University, and domestic life, he still made time to provide all the extra help I needed to produce this book.

Due to some problems with editors leaving school and unfilled positions, this year's book was created by a very small staff. It is through the efforts of Kathy, Greg, and Tom taking up the slack that made the completion of this book a reality.

The top photographer this year was Jim Lynch. His enthusiasm and craftsmanship captured his 23% of the pictures in this book. Congratulations must go out to this newcomer.

This last week has been enlightening to say the least; the ROLLAMO was sent to press, I found out I had passing grades last semester, and my daughter Jennifer Christine was born. All three of these miracles are directly a result of my wife, Jan. Without her support, encouragement, tolerance, and love I couldn't be doing this now.

And thanks to you, the students and friends of UMR, for giving me the honor of presenting this book to you.

It's been great.
